Dear Sir:

It is respectfully requested that a Certificate of Correction be issued in connection with the above-identified patent. The required text is submitted on the attached form.

A copy of the PTO Form 1449 which was submitted by Applicant in the subject application on March 12, 2002, and subsequently initialed and dated by the Examiner, is enclosed. This paperwork substantiates that the references listed on the attached Certificate of Correction should appear on the patent and that the error of omitting the references on the printed patent is attributed solely to the USPTO.

Also enclosed is a copy of the Issue Fee Transmittal which indicates the title to be "A SYSTEM FOR PROCESSING FINANCIAL TRANSACTIONS IN A SELF-SERVICE LIBRARY TERMINAL". This is the correct title. Correction should appear on the patent and that the error of omitting the references on the printed patent is attributed solely to the USPTO.

Because the listed errors first occurred in the printed patent, and are not due to Applicant's mistake, no fee is required in connection with this Certificate of Correction.

Respectfully submitted,

March 17, 2005
